Intuitive Leadership
Inspiring a New Dream of Earth

Patti O'Donahue, M.A., R.Y.T. grew up listening to stories of dreams, voices of wisdom, and knowings from the women in her family. She spent her adult years leading transformative ecological programs and working with indigenous peoples, eventually going on to graduate school, where she researched and wrote on intuitive leadership. Patti lives on the west coast of Canada where she is a consultant, writer and speaker on birthing new dreams, but her most cherished role is that of Grandmother.
